

WELCOME TO THE
MAPLE AVENUE MIDDLE SCHOOL PTSO

515 Maple Avenue
Saratoga Springs, NY 12866

September 2009

Dear Parents,

For many years, Maple Avenue PTSO has run a yearly fundraiser. This activity has been used to generate the money necessary to run cultural arts programs for our students throughout the school year. This year alone, \$36,000 has been pledged to provide a wide variety of cultural arts experiences. The students will be attending plays, participating in school wide assemblies and having artists visit their classrooms.

Your support towards these programs would be greatly appreciated. ***Please consider making a pledge of \$25*** (or any contribution would be appreciated) to help support the Cultural Arts Program. This could be used as a charitable donation for Income Tax purposes. Receipts would be provided for that purpose. We feel strongly that these pledges will help us reach our goal. Please make checks out to Maple Avenue PTSO.

Below, please find a form that you can fill out and return to your House Principal's office with your donation. We would like to thank you in advance for your support in helping the PTSO to provide enrichment for the students at Maple Avenue.

Sincerely,

Lisa Muller, President
Kelly Regels, Vice President
Amy Ward, Treasurer
Laura Ellor, Secretary
